Web Technologies/Frameworks: HTML, CSS, JavaScript, React, Git, GitHub

Data Management: SQL, Excel, Tableau, Apache Hadoop

Skills: Data Structures and Algorithm, DBMS, OS, Networking

Certificates

C++ in DSA: - Hitbullseye

October 2023

DSA Self-Paced: - Prepinsta

November 2023

IBM Cloud: - EDX

March 2023

Python :- Techvanto Academy

July 2023

Front End Development:- Coursera

May 2023

DBMS: - Infosys Springboard

July 2023

Internship

Web Development Internship

Aug 2023

@ Mejona Technology

- Experience the latest working technologies on real world problem. created a recipe sharing website using MERN stack.

Projects

1. Personal Portfolio [CSS | html | JavaScript]

Jan 2024

- Designed an online interactive personal portfolio using JavaScript, html, and CSS.
- Implemented features such as user download cv, animation effect, redirect to other page using hyperlink. And Used HTML, CSS, and Bootstrap for the front-end design.

2. Online Grocery Store [Java | JSP | Servlet | JDBC | SQL]

Jan 2025

- Developed a dynamic and user-friendly Restaurant Menu App using React.
- The app allows users to browse menus, view detailed item information, and manage cart functionality seamlessly.
- It includes features such as category filtering, responsive design, and interactive user experience.

3. Whack-a-mole [CSS | html | JavaScript]

Dec 2023

- Developed a digital version of the classic "Whack-A-Mole" game using HTML, CSS, and JavaScript.
- Features include mole spawning, hit detection, and sound effects for an engaging and interactive player experience.
- Designed with responsive visuals to ensure compatibility across devices.

4. Paste Note [Tailwind | Vite | JavaScript | React | Redux]

Jan 2025

- Designed and developed Paste Note on **Vercel**, a responsive web application for creating and managing notes, leveraging React with Redux for state management, Vite for optimized bundling, and Tailwind CSS for modern UI styling.
- I Integrated dynamic note operations with seamless user interactions and efficient rendering for a smooth experience.

Extra Activity

Workshop :- TechnOcean 2023

Published Capstone Project as (Travel Ease : Mern Stack) 2024
